## **NEGOTIATED SETTLEMENT**

This matter was initiated by the Federal Election Commission (Commission) pursuant to information ascertained in the normal course of carrying out its supervisory responsibilities. Following review of the matter, and in an effort to promote compliance with the Federal Election Campaign Act of 1971, as amended, (FECA) and resolve this matter, the Commission entered into negotiations with Neil Reiff representing MOVEON.ORG Political Action and Tom Matzzie, in his/her official capacity as Treasurer (the Committee or Respondents). It is understood that this agreement will have no precedential value relative to any other matters coming before the Commission.

Negotiations between the Commission and Respondents addressed the issues raised in this referral. The parties agree to resolve the matter according to the following terms:

- 1. The Commission entered into this agreement as part of its responsibility for administering the FECA, and in an effort to promote compliance on the part of Respondents. The Commission's use of alternative dispute resolution procedures (ADR) is guided by "The Administrative Dispute Resolution Act of 1996," 5 U.S.C. § 572 and is an extension of 52 U.S.C. § 30109.
- 2. Respondents voluntarily enter into this agreement with the Commission.
- 3. The Reports Analysis Division (RAD) referred Respondents for forwarding deposited earmarked contributions totaling \$63,256.16 received for authorized committees more than ten (10) days after receipt on its Amended 2016 April Quarterly, Amended 2016 July Quarterly and 2016 30 Day Post-General Reports.
- 4. Every person who receives a contribution for an authorized political committee shall forward such contribution to the treasurer no later than 10 days after receipt. 52 U.S.C § 30102(b)(1), 11 CFR §§ 102.8(a) and (c).
- 5. The Committee filed three (3) separate Miscellaneous Electronic Submissions (Form 99s) dated November 2, 2016, May 19, 2017, and June 23, 2017 contending that some earmarked contributions were transferred outside of the ten (10) day window because of a software error and technical issues with its bundling tracking program. The Committee indicates that it is developing procedures to ensure this does not happen in the future.

- 6. Respondents, in an effort to avoid similar errors in the future, agree to: (a) develop and certify implementation of procedures by which earmarked contributions are tracked in order to ensure timely forwarding within thirty (30) days of the effective date of this agreement; and (b) pay a civil penalty of \$1,575 within thirty (30) days of the effective date of this agreement.
- 7. Respondents agree that all information provided to resolve this matter is true and accurate to the best of their knowledge and that they sign this agreement under penalty of perjury pursuant to 28 U.S.C. § 1746.
- 8. The parties agree that if Respondents fail to comply with the terms of this settlement, the Commission may submit any unpaid civil penalty to the U.S. Treasury for collection or undertake civil action in the U.S. District Court for the District of Columbia to secure compliance.
- 9. This agreement shall become effective on the date signed by all parties and approved by the Commission. Respondents shall comply with the terms of this agreement as set out in paragraph 6 above, and shall certify compliance with the above settlement terms in writing to the Alternative Dispute Resolution Office on or before the date <u>each</u> term becomes due.
- 10. This Negotiated Settlement constitutes the entire agreement between the parties on ADR 869 (RR 17L-44), and resolves those issues identified in paragraph 3 above. No other statement, promise or agreement, either written or oral, made by either party, not included herein, shall be enforceable.
